NOTICE OF PUBLIC WORKSHOP

Subject: Workshop on Draft Regulations for Cost Estimates for Postclosure Maintenance and Corrective Action, and Financial Assurances Demonstrations

On November 27, 2006, California Integrated Waste Management Board (CIWMB) staff will conduct a workshop on the draft postclosure maintenance, corrective action and financial assurance demonstrations regulations. The workshop is open to all interested parties and will provide participants with the opportunity to review, discuss, and comment on limited draft amendments to the Chapter 4, Chapter 6 and financial assurance forms within the Appendix of Title 27, California Code of Regulations. See below for reservation information.

CIWMB staff will make available information on the draft regulations, including draft text, on the CIWMB's website at <http://www.ciwmb.ca.gov/Rulemaking/Postclosure/default.htm>. Please note that Section 21840 contains two alternative wordings that we are specifically soliciting your input for consideration. CIWMB staff will consider revision of all the DRAFT regulations based on workshop participant comments. Formal notice of the rulemaking is scheduled for the second quarter of 2007.

The modification to the cost estimates and the addition of corrective action estimates to the CIWMB regulations will help owners and operators in preparing more complete and accurate estimates. The modifications to the financial assurances regulations will help clarify the intended use and scope of the financial demonstrations. In addition, there are numerous cleanup changes to the existing regulations to clarify regulatory intent and to reflect current practice.

The workshop will commence at 10:00 a.m. and will be held in the Sierra Hearing Room on the 2nd Floor of the Cal/EPA Building, 1001 I Street, Sacramento. Driving directions are available at: <http://www.ciwmb.ca.gov/BoardInfo/Location/#CalEPA>.

The workshops are not intended to be formal meetings of the Board or any of its Committees. It is possible that a quorum of the Board or its Committee members may be present.

You may e-mail any comments on the draft regulation to Richard Castle at rcastle@ciwmb.ca.gov.

Please contact Richelle Bishop at (916) 341-6323 to request special accommodations for persons with disabilities or if you have any questions regarding this notice.

Workshop reservations should be made by phone or E-mail to:
